

AMENDMENTS TO THE CLAIMS

This listing of claims will replace all prior versions and listings of claims in the application:

LISTING OF CLAIMS:

Claims 1 - 12: (canceled).

13. (new): A fuse cavity structure, comprising:

a housing provided with a plurality of fuse attachment portions divided by partition walls, a large-sized fuse and a small-sized fuse shorter than the large-sized fuse being attachable to the fuse attachment portions,

wherein the fuse attachment portions are adapted to accommodate the whole small-sized fuse, and

wherein a part of the partition wall which is opposed to a part of the small-sized fuse accommodated in the fuse attachment portion is cut to form a notch to communicate with adjacent fuse accommodating portions from each other.

14. (new): An electric connection box comprising a fuse cavity structure, the fuse cavity structure including:

a housing provided with a plurality of fuse attachment portions divided by partition walls, a large-sized fuse and a small-sized fuse shorter than the large-sized fuse being attachable to the fuse attachment portions,

wherein the fuse attachment portions are adapted to accommodate the whole small-sized fuse, and

wherein a part of the partition wall which is opposed to a part of the small-sized fuse accommodated in the fuse attachment portion is cut to form a notch to communicate with adjacent fuse accommodating portions from each other.
